# AMAN KUMAR

B.Tech CSE (AI & ML) | Quad AI
Bengaluru • GitHub • LinkedIn • Portfolio

## ABOUT ME

B.Tech Computer Science Engineering (AI & ML) student at Quad AI School of Technology and Management, building skills in cybersecurity, Python, web development and data analytics.

## EDUCATION

B.Tech Computer Science Engineering (AI & ML), Quad AI School of Technology and Management 2026 – 2030

Class XII (CBSE), Krishna Sudershan Public School, Barh, Bihar 2026

## PROJECTS

**Esports Registration Platform - web sign-up for a multi-game esports event**

Concept stage • github.com/amankumar1997aaa-dotcom

- Designed the participant registration flow for a multi-game esports event, built around a simple, straightforward sign-up experience (web development, user flow design).

**Personal Portfolio - responsive site showcasing my education, skills and projects**

Stack: HTML, CSS, JavaScript, GSAP, Three.js • github.com/amankumar1997aaa-dotcom

- Built and deployed a responsive portfolio on GitHub Pages using HTML, CSS and JavaScript, integrating GSAP animations and a Three.js scene.

**Locallo - e-commerce startup concept for tier-2/tier-3 towns and villages**

Concept stage • business model canvas and pitch deck

- Developed the concept around the needs of smaller-city buyers and sellers, using a business model canvas and a pitch deck.

## TECHNICAL SKILLS

**Core Areas:** Computer Science Engineering, Artificial Intelligence & Machine Learning, Web Development, Cybersecurity, Data Analytics

**Languages:** Python, JavaScript, HTML, CSS

**Frontend & Tools:** Responsive web design, GSAP animation, Three.js, Git, GitHub

**Data & Security:** Google Analytics, cybersecurity fundamentals

## ACHIEVEMENTS & CERTIFICATIONS

- Smart India Hackathon 2026: researching breath-based detection (problem statement SIH26230), ongoing.
- Participated in Neo4j Hackathon and Hack with India; secured 8th position.
- Earned Google Analytics Certificate, Google.
- Won Vedic Ganit Competition, Class X (school level).
